There will be no recycling, green bin or yard waste collection on Monday, April 21. Collection will be delayed by one day. Items must be at the curb by 7 a.m. to ensure collection. The regular collection schedule will resume on Monday, April 28. Please note that the County of Simcoe holiday waste collection schedule does not affect City of Orillia residents. For more information call 705-325-3522 or visit [orillia.ca/waste](http://orillia.ca/waste).

## Free Transit Day: April 22

Notice !

## Ice Storm Clean Up

**The Waste Diversion Site is now open for regular operations and is no longer limited to drop off of storm-related essential loads only.**

### Waste Diversion Site fees waived:

The City is waiving fees for the disposal of storm-related debris at the Waste Diversion Site until April 26, 2025, which includes:

- Storm brush
- Spoiled food waste
- Storm-related items and materials

Garbage brought to the Waste Diversion Site must be loose or in clear bags. Black bags must be emptied to ensure it is storm related debris. Please ensure that all debris is secure in your vehicle or trailer when travelling to the Waste Diversion Site.

### Curbside Collection

Orillia residents will not need to tag their garbage until after Saturday, April 19. Spoiled food waste (still in packaging) will be permitted in the curbside garbage for this timeframe only. Residents are still encouraged to sort their food waste into their green bins as much as possible.

- There is no bag limit.
- Clear bags only.
- Residents can double bag food waste if they are not putting it in the compost.
- Please follow the weight limit of 20 kg or 44 lbs per bag or container of garbage.
- Please keep your regular curbside waste separate from the curbside brush for pick up.

### Residential Property Brush Pick Up

Residential brush collection and wood chipping is underway and will take place until May 2, 2025. Residents must place brush out for pickup by April 27 at the latest. To assist in safe and efficient collection, residents must place downed tree brush and branches:

- On their front property, behind the sidewalk and off the roadway.
- Do not block sidewalks, roads, storm drains, or fire hydrants or hydro infrastructure.
- City crews and contractors will be moving through the City in the coming days and weeks to chip and remove this brush material. Please do not mix any other materials in with the set out brush/branches.

## Celebrate Earth Day in Orillia

**April 22 is Earth Day and the City of Orillia is encouraging residents to take advantage of free Orillia Transit and active transportation options in the city to help reduce your carbon footprint.**

### April 22, 2025 – Free Orillia Transit

To mark Earth Day on April 22, 2025, the City of Orillia is offering free Orillia Transit Services. Residents are encouraged to leave the car at home and use this opportunity to reduce their carbon footprint. Visit [orillia.ca/transit](https://orillia.ca/transit) for more information on schedules and routes.

### Active Transportation

The City offers a variety of active transportation opportunities and has invested significantly in the development of new sidewalks, bike lanes, active transportation routes and trails, and an extensive and interconnected system of multi-use recreational trails. Orillia Transit buses are also equipped with bicycle racks available for riders to encourage the use of active transportation networks within the city.

### Climate Change Action Plan

The City of Orillia is dedicated to promoting sustainable operations and reducing climate change impacts through continuous improvements to facilities and infrastructure. The City's Climate Change Action Plan, Orillia's Climate Future, identifies ways our community can tackle the crucial challenge presented by climate change by making our homes, offices, roads, and green spaces more sustainable. To learn more, visit [orillia.ca/climatefuture](https://orillia.ca/climatefuture).

### Sustainable Tips

This Earth Day, the City encourages residents to “spring” into sustainable cleaning. These tips can help keep your environment fresh and the planet healthy.

- Consider using all-natural cleaning products or make your own.
- Use reusable cloths and mop heads or make cloth rags out of old clothing that can't be donated.
- Purify the air by adding more plants in your house, using essential oils, boiled lemon peels, and flowers.
- Airdry clothes and textiles.
- Unsubscribe to unused mail services to limit unwanted paper from piling up at your home.
- Be mindful of water use and look for opportunities to use less.
- Repair, fix, or repurpose items you have. Visit the City's Re-use Depot at the Waste Diversion Site to drop off or pick up items such as paint, refinishing products, furniture or books.
- Use the City's What Goes Where tool to ensure waste is put in the right place. Access the What Goes Where tool and more recycling tips at [orillia.ca/waste](https://orillia.ca/waste).

## Jarvis Street Reconstruction

**The City of Orillia is gearing up for another busy construction season in 2025 with the Jarvis Street Reconstruction project, which began April 14.**

The Jarvis Street Reconstruction project includes the full reconstruction of Jarvis Street from Laclie Street to Bay Street, including the replacement of underground infrastructure, new sidewalks, and road improvements. Layby parking areas will be added between Canice Street and Bay Street. Jarvis Street will be closed from Bay Street to Laclie Street during this project. During the construction project, Jarvis Street will be open to local traffic only from Laclie Street to Bay Street. Emergency access will be maintained at all times.

Jarvis Street Reconstruction project Impacts:

- **Parking and Access to Couchiching Beach Park:** There will be limited use of the Couchiching Beach Parking Lot. Access to Couchiching Beach Park will remain open via Terry Fox Circle and parking is also available along Lightfoot Drive and in the Centennial Park parking lot.
- **Special events in Couchiching Beach Park:** All special events will proceed as scheduled. The City is working closely with event organizers who use the Jarvis Street entrance and parking in the Couchiching Beach Parking lot to support alternative event access and parking plans.
- **Transit:** The Laclie transit route will detour around the construction area. The bus will not travel on Jarvis Street between Laclie Street and Borland Street during the closure. Three bus stops will be out of service and three temporary bus stops will be active for the duration of the closure.

The \$6.9 million Jarvis Street Reconstruction project was approved by Council as part of the 2025 Capital Budget process and will be completed by the North Rock Group. For more information on the Jarvis Street Reconstruction project, or to sign up for weekly project updates, visit [orillia.ca/jarvisstreet](https://orillia.ca/jarvisstreet).

## Annual Boat Trailer Parking Program Begins May 15

The program is in effect seven days a week (Monday through Sunday) from 7 a.m. to 7 p.m. and runs until Oct. 15, 2025. Orillia residents, and those who pay taxes directly to the City, can park their boat trailer for free by displaying a Resident Boat Trailer Parking Permit.

Residents and Orillia taxpayers can request their 2025 permit by visiting [orillia.ca/parking](https://orillia.ca/parking) and filling out the Resident Boat Trailer Parking Permit request form. The 2024 permits are not valid for the 2025 season. For those without a Resident Boat Trailer Parking Permit, the cost to park boat trailers will be \$10 per hour, up to a maximum of \$50 per day.

The locations included in the Boat Trailer Parking Program are the Centennial Park Boat Launch parking lot (50 Lightfoot Dr.), Collins Drive Boat Launch parking lot (425 Collins Dr.) and the surrounding streets of Collins Drive, Maclsaac Drive, and Rodger Road. For more information, visit [orillia.ca/parking](https://orillia.ca/parking).

## Have Your Say on Orillia's Vibrant Spaces and Creative Places

**The City of Orillia wants your input on the Parks, Recreation, Culture, and Trails Master Plan.**

The Master Plan is a strategic document that studies the existing park, recreation, culture, and trails system, facilities, and programming. It provides both a long-term vision for the City's system, as well as specific policies and standards to direct day-to-day decisions.

**Community members can have their say through various engagement opportunities including:**

- **Survey** - Complete the online survey at [orillia.ca/PRCTMasterPlan](https://orillia.ca/PRCTMasterPlan) before Aug. 1, 2025. Hard copies of the survey are available at City Centre and the Orillia Recreation Centre. Survey participants can enter for a chance to win one of three one-month FUN Passes to the Orillia Recreation Centre.
- **Public Open House** - Share thoughts and opinions with staff and the project consultants on the future of parks, recreation, culture and trails within the City at a public open house on Saturday, April 26, 2025, from 1 to 3 p.m. at the Orillia Recreation Centre.

There will also be meetings and focus groups with local culture, community, event and sports organizations to ensure their input and unique needs are captured in process.

Public input will help shape priorities for parks, recreation, culture, and trails in Orillia over the next 10 years. A summary of the findings will be shared for feedback, with a draft Master Plan expected in early 2026.

For more information, visit [orillia.ca/PRCTmasterplan](https://orillia.ca/PRCTmasterplan) or call. 705-325-4386.
