## Care of Animals By-law Update

**Leaving pets in hot vehicles? Not cool. City of Orillia Council recently passed a by-law increasing fines for leaving an animal in a hot vehicle.**

On a hot day, rolling down the window or parking in the shade is not enough. An animal left unattended in a vehicle – even with the window down – could face serious illness or death. This by-law is in effect and charges have already been laid this summer. If you leave an animal in a hot vehicle in the City of Orillia, you could be fined:

- **Up to \$25,000 on a first offence;**
- **Up to \$50,000 on any subsequent offence.**

Your pets feel the heat just like you do! During hot weather, stay safe and keep your pet at home. Learn more and access heat safety tips for pets at [orillia.ca/animalcontrol](http://orillia.ca/animalcontrol).

## Orillia Recreation Centre Annual Preventative Pool Maintenance

**The natatorium (aquatic area) at the Orillia Recreation Centre will be undergoing annual maintenance beginning on Aug. 20, 2022.**

The aquatic area will be closed until Sept. 19, 2022 and will include annual draining and cleaning of pools, cleaning under the moveable floor, and leisure pool features maintenance.

During the maintenance period all aquatic drop-in programming will be cancelled. Fun Pass holders who do not wish to utilize other amenities within the facility during the pool closure can request a membership pause. Aquatics centre user groups have also been contacted to advise of the closure.

For questions or concerns, please contact Recreation and Youth Services at 705-325-4386 or email [recreation@orillia.ca](mailto:recreation@orillia.ca).

## Centennial Drive Reconstruction Project Phase 2 Project Update

**The second phase of the Centennial Drive Reconstruction Project has begun. The City's contractor, Arnott Construction, is mobilizing and completing preliminary work.**

Breaking ground and heavy construction is anticipated to occur later this August.

Please note that when heavy construction begins, users of the boat launch facility in Centennial Park will be impacted by the construction activities, as parking on the former rail bed will not be available. As the project progresses, updates will be provided on the City's website and social media channels, including further information about traffic and parking impacts and alternative options for boat launch users.
