Public Health Vaccine Update

The Simcoe Muskoka District Health Unit has advised that highly contagious COVID-19 variants are spreading in our community, making it important for everyone to protect themselves and others from getting the virus and becoming seriously ill. Getting all recommended doses of COVID-19 vaccine, including boosters, will help protect you, your family, and friends.

The Health Unit has learned that the protection from COVID-19 vaccines and from the immunity received after having COVID-19 decreases over time. Getting your booster provides good protection from catching and spreading COVID-19 and provides very good protection from getting seriously sick.

It is even more important for those at increased risk for severe illness to get their booster. This includes:

- Adults 50 years of age or older;
- People with immune compromising conditions or chronic health conditions;
- People who are pregnant; and
- People living with social and structural inequities.

A health card is not required to get vaccinated. Please bring identification with your current address. Translation, interpretation, and transportation supports are available.

A booster dose is safe, with no increased side effects. To find out more information, including where you can get a booster dose near you, visit smdhu.org/getboosted.

Attention Transit Users:

Passengers are required to wear face coverings on City buses until at least June 11, 2022.

City of Orillia Notice of Public Meeting Re: Zoning By-Law Amendment

Notice !

TAKE NOTICE that the Council of the Corporation of the City of Orillia will hold an **Electronic** Public Meeting on **Monday, June 6, 2022 at 1 p.m.**, or as soon thereafter as the matter can be dealt with, to consider the following applications for Draft Plan of Subdivision, Draft Plan of Condominium and Zoning By-law Amendment Application:

Owner:	Landen Homes 388 Inc.	Application No.:	43T-21002, 43CD-21001 & D14-908

Purpose and Effect:
