## Temporary Municipal Parking Lot to be Created at 20 Front St. S.

A new temporary municipal parking lot will be coming to the downtown waterfront area later this spring, providing additional parking for visitors and residents.

The City of Orillia has worked with the owner of 20 Front St. S. to finalize an agreement to lease the property to accommodate 105 temporary parking spaces. The temporary lot will be accessible via Colborne Street East with two pedestrian pathways to access Front Street South and Mississauga Street East.

The new temporary municipal parking lot, which will be known as "Lot 15," will consist of 102 standard parking spaces and three accessible parking spaces in accordance with the *Accessibility for Ontarians with Disabilities Act*. The temporary parking lot will complement other measures in place, including the existing Temporary Lot 13 at 70 Front St. N. and the new waterfront shuttle pilot project.

City staff are working quickly to get the temporary parking lot ready for an anticipated opening this June; however, the opening date will be dependent on getting all the necessary infrastructure in place by that timeframe. Updates regarding the opening date will be posted on the City's website at [orillia.ca](http://orillia.ca) and social media channels.
