Poverty Reduction Survey Open Until July 29

Have Your Say

The City of Orillia is launching a survey to gather vital feedback from individuals with lived or living experience in poverty.

The survey aims to understand the specific challenges faced by those experiencing poverty and identify opportunities that would provide the most assistance, focused broadly on the areas of affordable housing, youth services, employment, recreation and arts, food security, and transportation.

Survey responses are due by July 29, 2024, and can be submitted online at orillia.ca/povertyreduction. Hard copies of the survey will also be available at the Orillia City Centre (50 Andrew St. S.), the Orillia Public Library (36 Mississaga St. W.), and the Orillia Recreation Centre (255 West St. S.).

Neighbourhood Safety and Nuisance Fees By-law

On Dec. 11, 2023, Council passed a Neighbourhood Safety and Nuisance Fees By-law (Chapter 912 of the City's Municipal Code).

This by-law aims to minimize negative impacts on neighbouring property as a result of the commission of specified criminal and/or by-law offences and improve the safety of residential neighbourhoods. Additionally, this by-law minimizes the financial impact on the taxpayers of Orillia by helping to recover the costs for the police to regularly attend a property to enforce the specific offences set out in the by-law.

The by-law came into effect on Jan. 1, 2024, and requires that the owner of a residentially zoned property to which the services of the Ontario Provincial Police are provided related to specified criminal and by-law offences set out in the by-law must pay to the City the following fees:

- For the first attendance in a calendar year, there is no fee;
- For the second and each subsequent attendance in a calendar year, the fee is \$500.

Leaving Pets in Hot Vehicles? **Not Cool!**

Pets should never be left unattended in a hot vehicle. The City of Orillia's Animal Care By-law is in effect. If you leave an animal in a hot vehicle in the City of Orillia, you could be fined:

- Up to \$25,000 on a first offence;
- Up to \$50,000 on any subsequent offence.
