

Highlights from the Council Chamber

Below is a snapshot of what was adopted by Council at its Public Meeting of Council re Planning Matter on Friday, Dec. 21, 2018.

Note: The wording below does not represent the exact wording of the motion and is meant as highlights.

- As recommended in the Supplementary Memo to Report No. DSE-18-49 dated December 3, 2018 from the Development Services and Engineering Department, the Draft Official Plan Amendment and Zoning By-law Amendment for Application Numbers D09-199 and D14-877 (Waterfront Redevelopment Area) will be presented to Council for its consideration at the next available meeting. Staff was directed to modify the Official Plan with respect to the Waterfront Redevelopment lands from a maximum of ten storeys where proposed, abutting Front Street North to eight storeys.

The full agenda packages are available on the City's website at Orillia.ca.
