**DATE:** May 16, 2022  
**SUBJECT: Amendment to Chapter 785 – Parks Regulation – Cooking in Parks**

---

Council, at its meeting held on March 29, 2021 passed a motion requiring the establishment of a short-term waterfront parking program. As part of the motion, Council directed that the operation of barbeques in City parks be prohibited in 2021, and that the City's Parkland By-law (Chapter 785) be amended accordingly.

On April 19, 2021 Council passed a by-law to amend Chapter 785 to prohibit the use of any portable or fixed cooking device including a barbecue, camp stove, and smoker. As the cooking ban was only in effect in 2021, a by-law has been placed on the June 6, 2022, Council agenda to remove this restriction.
