

STAGE 1 PRECONSULTATION REQUEST FORM

Stage 1 Preconsultation is required for all Official Plan Amendment, Zoning By-law Amendment, Draft Plan of Subdivision or Condominium and Site Plan Control applications.

The purpose of the Stage 1 Preconsultation process is to allow the City to review your preliminary proposal and identify the list of required plans, studies, material and information required for a complete application. If any reports need to be reviewed by the City prior to a complete submission, then the City will advise that Stage 2 Preconsultation will be required. There is a separate request form and fee for Stage 2 Preconsultation.

FEES:

Please consult with Planning staff to determine the appropriate fee and applications requiring Preconsultation. Once you've determined the appropriate fee and applications, please check the applicable Stage 1 Preconsultation:

DISCLAIMER:

Any comments made during Stage 1 Preconsultation are preliminary and subject to further review and circulation at the time of Stage 2 Preconsultation (if required) and a complete and formal application. Commenting on the Preconsultation will not imply or suggest any decision to either support or refuse the application. Further, participating in Preconsultation does not allow the undertaking of construction and/or site alteration, including the clearing of trees and vegetation. Comments shall remain in effect for the period of one (1) year from the date the City issued Stage 1 Preconsultation Comments, following which a subsequent Preconsultation application may be required.

The Owner/Applicant acknowledges that Stage 1 Preconsultation may result in the need to undertake Stage 2 Preconsultation, depending on the complexity of the proposal, prior to submission of a formal application.
