

## INCH FARM ARTERIAL ROAD MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

### NOTICE OF STUDY COMPLETION

Interested persons may provide written comments to our project team by February 6, 2022. All comments and concerns should be sent directly to Tatham Engineering Limited and the City of Orillia.

In addition, a request may be made to the Ministry of The Environment, Conservation and Parks for an order requiring a higher level of study (i.e. requiring an individual/comprehensive EA approval before being able to proceed), or that conditions be imposed (e.g. require further studies), only on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests on other grounds will not be considered. Requests should include the requester contact information and full name.

Requests should specify what kind of order is being requested (request for conditions or a request for an individual/comprehensive environmental assessment), how an order may prevent, mitigate or remedy potential adverse impacts on Aboriginal and treaty rights, and any information in support of the statements in the request. This will ensure that the ministry is able to efficiently begin reviewing the request.

The request should be sent in writing or by email to:
