Article 3
GENERAL PROVISIONS

830.3.1 Classes of permits - set out

Classes of permits with respect to the construction, demolition and change of use of buildings and permit fees shall be as set out in Schedule 'A' to this By-law.

830.3.2 Revision - permits

After the issuance of a permit under the Act, notice of any material change to a plan, specification, document or other information on the basis of which the permit was issued, must be given in writing, to the Chief Building Official together with the details of such change, which is not to be made without his or her written authorization.

830.3.3 Notification - CBO - 2 days

The owner shall notify the Chief Building Official or Inspector that the construction is ready to be inspected at least two (2) municipal business days in advance of the stages of construction as specified in the Regulations.

830.3.4 Transfer of permits

Where land changes ownership for which a permit has been issued, the new owner shall apply for a Transfer Permit as set out in Schedule 'A'.

830.3.5 Fencing at construction and demolition sites

Where in the opinion of the Chief Building Official, a construction or demolition site presents a particular hazard to the public, the Chief Building Official may require the erection of such fencing as he or she deems appropriate to the circumstances.

830.3.6 Hazardous - assessment

In considering the hazard presented by the construction or demolition site, the necessity for fencing and the height and characteristics of such fencing, the Chief Building Official shall have regard for:

- (a) the proximity of the building site to other buildings,
- (b) the proximity of the construction or demolition site to lands accessible to the public,
- (c) the hazards presented by the construction or demolition activities and materials,
- (d) the feasibility and effectiveness of such fences, and,
- (e) the duration of the hazard.

Article 4
APPLICATIONS AND PERMITS

830.4.1 Permit - available

To obtain a permit, the owner shall file an application in writing by completing a prescribed form available at the offices of the municipality or from the Building Code website www.obc.mah.gov.on.ca or from the City of Orillia website www.orillia.ca.

830.4.2 Application - information

Every application for a permit shall be submitted to the Chief Building Official and contain the following information. Where application is made for a Building Permit under subsection 8(1) of the Act, the application shall:

- (a) Identify and describe in detail the work to be covered by the permit for which application is made.
- (b) Describe the land on which the work is to be done, by a description that will readily identify and locate the building lot.
- (c) Include complete plans and specifications as described in this Chapter, Schedule "D", for the work to be covered by the permit and show the occupancy of all parts of the building.
- (d) State the prescribed value of the proposed work.
- (e) State the names, addresses and telephone numbers of the owner, Architect or Professional Engineer, where applicable, or other designer or constructor.
- (f) Be accompanied by a written acknowledgment of the Architect and/or Engineer that they have been retained to carry out the field review of the construction where required by the Ontario Building Code, and
- (g) Be signed by the owner who shall certify the truth of the contents of the application.

830.4.3 Demolition Permit

Where an application is made for a Demolition Permit under Subsection 8(1) of the Act, the application shall:

- a) Contain the information required by section 830.4.2.
- b) Comply with the requirements prescribed in Schedule "C" of this Chapter.

830.4.4 Conditional Permit

Where application is made for a Conditional Permit under Subsection 8(3) of the Act, the application shall:

- (a) Contain the information required by section 830.4.2.
- (b) Contain such other information, plans and specifications concerning the complete project as the Chief Building Official may require.
- (c) State the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted.
- (d) State the necessary approvals which must be obtained in respect of the proposed building, the time in which such approvals will be obtained, and
- (e) State the time in which plans and specifications of the complete building will be filed with the Chief Building Official.

830.4.5 Change of Use Permit

Where an application is made for a Change of Use permit under Subsection 10(1) of the Act, the application shall:

- (a) Describe the building in which the occupancy is to be changed, by a description that will readily identify and locate the building.
- (b) Identify and describe in detail the current and proposed occupancies of the building or part of a building for which the application is made.
- (c) include plans and specifications which show the current and proposed occupancy of all parts of the building and which contain sufficient information to establish compliance with the requirements of The Building Code including: floor plans, details of wall, ceiling and roof assemblies identifying required fire resistance ratings and load bearing capacities, details of existing sewage system, if any.
- (d) State the name, address and telephone number of the owner.
- (e) Be signed by the owner who shall certify the truth of the contents of the application.

830.4.6 Sewage System Permit

Every application for a Sewage System Permit shall be submitted to the Chief Building Official, and contain the following information:

- (1) The information required by section 830.4.2.
- (2) The name, address, telephone number and licence number of the person installing the sewage system,

- (3) Where the person named in (2) above requires a licence under the Act and the Building Code,
- (a) the number and date of issuance of the license, and
 - (b) the name of the qualified person supervising the work to be done under the sewage system permit;
- (4) a site evaluation which shall include all of the following items, unless otherwise specified by the Chief Building Official;
- (a) the date the evaluation was done,
 - (b) name, address, telephone number and signature of the person who prepared the evaluation,
 - (c) a scaled map of the site showing
 - i) the legal description, lot size, property dimensions, existing rights-of-way,
 - ii) the location of items listed in Column 1 of Tables 8.2.1.6.A, 8.2.1.6.B, and 8.2.1.6.C of Division B of the Building Code,
 - iii) the location of the proposed sewage system,
 - iv) the location of any unsuitable, disturbed or compacted areas and,
 - v) proposed access routes for system maintenance.
 - (d) depth to zones of soil saturation,
 - (e) soil properties, including soil permeability, and
 - (f) soil conditions, including the potential for flooding.

830.4.7 Sufficient information - compliance - legislation

Sufficient information shall be submitted with each application for a permit to enable the Chief Building Official to determine whether or not the proposed construction, demolition or change of use will conform to the Act, The Building Code and any other applicable law.

830.4.8 Application - three complete copies

Each application shall, unless otherwise specified by the Chief Building Official, be accompanied by three (3) complete sets of the plans and specifications required under this Chapter.

830.4.9 Plans - required - drawn

Plans shall be drawn to scale on paper, cloth or other durable material, shall be legible and, without limiting the generality of the foregoing, shall include such working drawings as site plans, floor plans, foundation plans, framing plans, roof plans, sections, details, elevations, electrical drawings, heating, ventilation and air conditioning drawings and plumbing drawings unless otherwise specified by the Chief Building Official. Refer to Schedule "D" for a detailed list.

830.4.10 Site Plans

Site plans, drawn to scale, showing the location of the proposed Building with respect to the street line and all other property lines and other Buildings and structures presently located on the property and in adjoining properties. Site plans shall be referenced, whenever possible, to an up-to-date survey. Where required, to establish compliance with the Regulations and other pertinent By-Laws, a copy of the survey shall be submitted to the Chief Building Official. Site plans shall, where required, show existing and finished grades, flood elevations referenced to an established geodetic bench mark, existing right-of-way, easements, municipal services, fire access routes and new and existing fire hydrant locations.

**Article 5
FEES****830.5.1 Fees - based on floor area - how calculated**

Fees payable in respect of an application for a construction permit issued under subsection 8(1) of the Act are based on the gross floor area of the project.

830.5.2 Fees - Schedule "A"

Fees for a required permit shall be as set out in Schedule "A" to this Chapter and are due and payable at the time of Permit issue.

830.5.3 Fees - Schedule "B"

Fees for a required plumbing permit shall be as set out in Schedule "B" to this Chapter and are due and payable at the time of a Permit issue.

830.5.4 Fees - Application fee

A minimum application fee, as set out in Schedule 'A', is payable at the time of permit application. This fee is non-refundable unless collected in error. When the permit is ready for issue, this fee will become part of the required permit fees.

830.5.5 Cheque - invalid

Where fees are paid by cheque and the cheque is found to be invalid, then it shall be deemed that the Permit was issued on mistaken or false information, and the Chief Building Official may revoke the Permit without further notice.

830.5.6 Refunds of permit fees

A request for a refund of a permit fee shall be made in writing to the Chief Building Official. The amount of the refund shall be calculated in accordance with the following:

- (a) 60% of the original Permit and Plumbing fee, provided work on a project has not been commenced.
- (b) 100% of the fee for an Occupancy Permit.
- (c) Notwithstanding 830.5.6(a) above, the minimum amount retained shall be equal to the application fee set out in Schedule 'A'.
- (d) Notwithstanding Sections 830.5.6(a) and 830.5.6(c) where a duplicate Permit has been issued, 100% of the fee for the duplicate Permit.
- (e) Should a Sewer/Water Capping Deposit not be claimed within two (2) years of issuance of demolition permit, then the deposit is void of refund ability.

830.5.7 Fees - Changes

Subject to a report submitted by the Chief Building Official in the fourth quarter of the calendar year, the building permit fees imposed pursuant to this by-law shall be adjusted annually, commencing January 1st, 2020, without amendment to the By-law, in accordance with the most recent twelve (12) month change in the Statistics Canada Quarterly, "Construction Price Statistic" catalogue 62-007, and shall be:

- (a) Rounded to the nearest cent when fees are based on cost per area.
- (b) Rounded to the nearest dollar for all other fees excluding the cost per \$1000 of project value.

830.5.8 Fee Update Period

Adjusted fees shall be available from the Development Services and Engineering Office, and can also be accessed online at the City of Orillia website, www.orillia.ca. These annual updates shall have the same force and effect as if appended directly in this by-law.
