## 1) Payment

Payment of Tipping Fees may be made by the following methods:

- a) Cash, VISA, Mastercard, debit card, upon departure from the Waste Diversion Site. Effective August 1, 2008, no cheque accepted upon departure from the Waste Diversion Site. Payment in Canadian funds only (U.S. currency less than \$1 excepted).
- b) Charged to pre-authorized charge account and invoiced at the end of each month. Payment is due upon receipt of City invoice.

## 2) Dump Lock

- a) Access to the Waste Diversion Site is denied to any charge account customer whose account is over 60 days past due. A "60 Days Past Due List" is provided by the Treasury Department on a regular basis. Dumping privileges are withdrawn from this overdue account and the account is known as "Dump Locked". After the account is paid, access to the Waste Diversion Site will be on a cash basis only.
- b) Access to the Waste Diversion Site is denied to any Cash customer who has left the site without paying after notification upon entry that a payment would be due upon departure. Access may be reinstated upon receipt of outstanding monies.

## 3) Credit

- a) To obtain charging privileges, a "Waste Diversion Site Credit Application" must be completed and forwarded to the Treasury Department.
- b) Upon receipt of a customer account number from the Treasury Department, a charge account is then entered into the weighscale software system, allowing a customer direct billing privileges.
- c) Payment is due upon receipt of City invoice at the end of each month.
- d) Credit may be withdrawn from customers who are delinquent in payment of their accounts, or have inactive or low volume accounts.
