

Camp Orillia

Safety Measures

Camps will focus on fun and creative physically-distanced sports, games and crafts this summer, with activities held outdoors whenever possible.

Camps are a **safe space** to leave your child while you return to work.

There will only be **one camp per location** with the exception of Rotary Place.

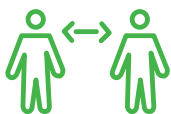

Screenings will take place outside for all participants.

The age group for all camps is **6-12Y** to ensure kids are completely toilet trained and understand the requirements of physical distancing.

There will be **no swimming** at camp.

Activities will focus on **physical distancing**, imaginative play, outdoor play, and crafts.

Increased frequency of cleaning/disinfecting objects, toys, equipment and frequently touched items.

There will be a **Hygiene Coordinator** placed at each location to coordinate hand sanitizing and cleaning touch points at a minimum of twice per day.

All staff have **health and safety training** regarding COVID-19.

Where possible, there will be **separate entry and exit** points for camp.

Each child will be given **individual craft and equipment packages** for the week that will be packed and sanitized by the Hygiene Coordinator.

No parents/guardians will be permitted inside the building.
