

OVERNIGHT PARKING RESTRICTION

The City of Orillia reminds residents that parking is prohibited on any municipal street or parking lot between the hours of midnight and 7:00 a.m. from November 15, 2014 through April 15, 2015.

Illegally parked cars can delay or impair the City's snow plowing or sanding operations. This prohibition is in effect whether it is snowing or not. All illegally parked vehicles will be ticketed and/or towed.
